

I am a dancer

name: Lauryn Winterhalder

dancing since age: 2

with SCBT: 10 years

hometown: Soquel

interests: hiking, reading, traveling

favorite book: *Peter Pan* by J. M. Barrie

current: Sacramento Ballet,
company member

favorite restaurant: Manuel's

love about Santa Cruz: it's home,
where I was born and raised, and
where my large extended family lives.

I love the beaches!

why I dance: dancing is my life, my livelihood,
and my dream. It is a part of my soul, and
when I am dancing I feel free. I love sharing
my passion for dance with the audience—
to transport them to a different place and
time, to make them feel something with
the movement, and to enrich their lives
with the beauty of the art form.
