## CONGRATULATIONS NUTCRACKER DANCERS!

Over the September 21st and 22nd weekend, an array of talented dancers auditioned for our annual production of "The Nutcracker." Rehearsals have begun and The Studio is a flurry of Snowflakes, Soldiers and Ginger Snaps! We hope all of the participants enjoy the rehearsal process this fall. Each dancer will gain knowledge, technique and confidence with every rehearsal. We look forward to seeing you dance!

## WELCOME GUEST CHOREOGRAPHER RON CUNNINGHAM

We are counting ourselves extremely lucky to welcome illustrious choreographer Ron Cunningham back to our studios this season. Ron will be choreographing an all new Waltz of the Flowers for our "Nutcracker," creating something especially for the talents of our company dancers. Ron is a sought-after choreographer who stages works on companies all over the United States. Recently he was in Richland, Virginia, staging his "Summerset" which was danced by Diane Cypher and Robert Kelley when they were members of his Sacramento Ballet years ago. Santa Cruz Ballet Theatre is fortunate that he has the time to spend with our dancers, as well as respects our training enough to work with our pre-professional students. This is not something he always does and we are proud of our accomplishments and our dancers' talents. Don't miss this year's production where our dancers are sure to shine in Ron's new choreography.

## WELCOME GUEST INSTRUCTOR DAVID ARCE

David Arce has been engaged to teach classes on Mondays this Fall, focusing on Mens Class. A former San Francisco Ballet dancer, David is Artistic Director of Juline Regional Youth Ballet a member of The Ballet Alliance in Modesto. Many of David's students have received scholarships and recognition from major ballet schools, including San Francisco Ballet. Welcome, David! Our students will greatly benefit from your expertise.
