Tuition payments are due the first day of the month and are late after 5:00 pm on the seventh day of the month due. Payments received after the seventh day of the month will incur a late fee dictated by the payment plan to which you have agreed. If you set up automatic payment through your bank, due dates and late fees still apply. Payments can be dropped off during office hours, deposited in the black Tuition Box next to the office door, or mailed in. The Studio accepts cash and checks. WE DO NOT ACCEPT CREDIT OR DEBIT CARDS.
