BOYS should take the corresponding Pointe classes for their level to build strength

*Dancers must pre-qualify for the Semi-Private lesson by taking the entire curriculum listed —without exception— as well as maintaining an excellent work ethic; qualifying students will be identified at the end of the previous day and names of those dancers will be posted. If you have been out with an illness or injury, you do not qualify; rest up and when you are up to taking the whole curriculum, you'll be ready for the semi-private.

PLEASE NOTE SPECIAL SCHEDULE FOR THE FIRST WEEK OF THE SESSION FOR LEVELS III and V and VI.

Level III: the first week Pointe classes will be Pre-Pointe classes; bring in your pointe shoes for fit approval. Bring your pointe shoes and sewing materials on Monday, July 2, when you will learn how to sew your shoes in class. Boys do not attend class Monday, July 2.

Levels V and VI: there will be no Semi-Private class on Tuesday, June 26. Take the Level IV Pointe class instead on that day.
