Waltz females: pink tights, pink trunks and pointe shoes, rhinestone earrings

Waltz males: dyed ecru tights; supply white canvas shoes to be dyed

PLEASE NOTE:

- Tights and ballet slippers (AKA technique shoes) to be provided by each dancer must be NEW or in excellent condition; all shoe drawstrings must be taped under; one elastic per shoe sewn securely on. Shoes may not have any additional accessories or emblems on them.
- Male dancers must provide their own dance belt and young boys should wear briefs under their tights (not boxers!). Dance belt required for every male dancer over 13 years of age.
- Pointe shoes must be shiny and new-looking, AND must be broken in and quiet; they must have ribbons sewn on securely and only one elastic per shoe, unless approved by Diane to be sewn otherwise; drawstrings must be taped under; ribbons (knot and surrounding area) must be SEWN IN during dress rehearsal and all performances — hairspray, tape or other methods of securing the knot are NOT acceptable (the ONLY exception to this rule is a dancer who is both Soldier Doll and Snowflake in the same performance - securely tape around the entire knot under the ribbon and cover the tape with the ribbon). If using stretchy ribbons, they must lay flat on your ankle.
- All headpieces require extra bobbi pins to secure during costume rehearsals and performances. This includes Soldier Hats and Mouse Heads. Bring these extra pins with you for ALL costume rehearsals (even those held at The Studio)
- the following female dancers wear rhinestone post earrings: Snowflakes, Ribbon Dancers, Flowers, all Divertissement soloists. If you do not have pierced ears, glue a silver sequin onto each ear lobe with eyelash adhesive (earrings are ONE per ear lobe!). If you have earrings that you cannot remove, but you are dancing a role which does not require earrings, you must cover each earring with a flesh-tone bandaid. Party Women will be supplied costume jewelry to wear with your party dress.

NO OTHER JEWELRY IS ALLOWED ONSTAGE

(even for spacing rehearsals, including gold ear piercing earrings and rings)

No Facial Jewelry (nose piercings, etcetera)

NO FINGERNAIL POLISH ONSTAGE; NO FRENCH NAILS; clear polish only

To reduce the number of people indoors, children must arrive to the theater with stage makeup already applied (except lipstick - send it with them). A link to a stage makeup video is posted on the right side of the rehearsal page at scbt.org. Additional people will not be allowed backstage; only people on the official volunteer list will be allowed backstage.

Thank you for your cooperation.
