Summer presents an excellent opportunity to take many classes and make significant progress, strengthening your technique through continuity. We offer two distinct programs as well as a bonus focus week for Levels IIa and up. We encourage serious students to take advantage of as much training as possible, and offer a discount to students who take the entire 4-week Summer Session and 2-week Intensive Program.

New students please contact our Registrar to arrange an evaluation class.

SUMMER SESSION JUNE 24-JULY 19

Our 4 week **SUMMER SESSION** features classes for all ages and abilities, from Pre-Ballet through Adult classes. This program includes Core-strengthening classes (bring a yoga mat or towel), our popular Choreography Course taught by award-winning choreographer Robert Kelley, and semi-private lessons with Diane Cypher for advanced dancers who qualify.

Level IIa students have reached the milestone in their training and will begin either Pre-Pointe or Beginning Pointe classes. These may be taken by invitation only and require the complete corresponding curriculum.

Adults continue to study at their own pace, in Intermediate or Intermediate/Advanced classes. Please contact our Registrar or visit our website for Adult class card rates.

Please refer to Summer Session class schedule, posted at scbt.org, Academy Programs page.

2 WEEK INTENSIVE PROGRAMS JULY 22-AUGUST 2

Our annual **INTENSIVE PROGRAMS** feature world-class guest instructors, as well as our own excellent faculty. The Curriculum includes Ballet, Pointe or Pre-Pointe, Variations/Repertoire, Afro-Brazilian Dance, Choreography and Music for Dancers. *Non-Ballet curriculum subject to change.*

Due to the strenuous nature of these programs, students are required to take a minimum of 3 weeks of the Summer Session (complete corresponding curriculum for your level) to qualify for the Intensive Program.

The program is **Monday-Friday and begins at 10:00 am** each day. End time will vary and will be between 2 and 4 pm for Group B and between 4 and 5 pm for Group A. Level A = current levels IVb-VI; Level B = current Level IIa and IVa students. Level IVa students may be placed into Group A by the Directors, based on their commitment and progress during the Summer Session; students are placed in the level most conducive to their progress. Schedule will be announced in June.

ADVANCED FOCUS WEEK JUNE 17-21

This summer we present a special one-week **BEGINNING/PRE-POINTE and ADVANCED FOCUS WEEK**, with concentration on consistency for upper levels, and either Beginning Pointe or Preparatory Pointe for Level IIa students. Schedule overview is posted at scbt.org, Academy Programs page. *Schedule subject to change.*
